Application for Consideration Solo Visual Arts Exhibits at Art Works

CALL FOR ART: All 2D and 3D visual artists are invited to submit an application for consideration.

Art Works, 3795 Pilot Knob Rd, Eagan, MN 55122

About the Exhibit:

We are working on creating a bank of quality artists who have a unique vision to share as a solo exhibitor. We are creating this bank for programming in 2020, but we occasionally have need for work to fill our spaces on short notice. We would like to be able to call on artists from our solo show bank to help us keep our galleries full and vibrant at all times.

Applications and Fees:

You must submit 5 images that are representative of your work as a whole. The images need not be specific pieces you are seeking to exhibit at AWE. These pieces should be the BEST of what you have to offer. Poor quality images will reflect poorly on you as an artist, and your future exhibition opportunities may be limited based on the quality of the work your submit. While you may submit images of pieces that have previously been exhibited at AWE (as examples of your best representative work), we are extremely unlikely to exhibit repeat work. Since submitting an application is not a guarantee of an exhibition opportunity, there is no fee to apply. If you are chosen to submit work for exhibition, there may or may not be a fee at that time depending on the exhibit development and the administration requirements at that time.

You will need a google account in order to submit an application online. Please consider creating one as all of our exhibit applications utilize this system. Utilizing automation through google forms is the only way for our all volunteer run organization to manage the data associated applications. Thanks for your help! Email gallery@artworkseagan.org with questions or if you are in need of support completing the online application.

You will not be able to save your application for later completion. Things you will need to complete this application:

1. Please enter your complete contact information. Fields are required, so if you don't have a website, enter NA.
2. Work files should be renamed for upload. You must submit 5 images that are representative of your work as a whole. Please, use the naming convention: `FirstName_LastName_Title.filetype`.
