About the Exhibit:

The exhibit “Introspection: Connection to Past and Future Self” is part of Art Works’ 2020 series exploring artists’ perspectives of the human experience. We encourage artists to connect to their artistic experiences as children, connect those experiences to their current work, and look forward to how their work can retain childlike freedom into the future. We encourage artists to submit work that is introspective in nature to bring focus to the human journey whether past, present or future. Respond to art work of children in your life or explore the musings of your inner child. Share your growth with the community through your art.

“Every child is an artist. The problem is how to remain an artist once he grows up.”
