About the Exhibit: The Annual Member/Supporter Show is intended to celebrate the work of [member artists](#) and [makers](#) who create at Art Works, and the work of the larger community of [supporters](#) whose contributions make programming happen here every day. Joint work created by two or more artists will receive special preference for collaborative elements. Only one artist from any collaboration must be a member or supporter at Art Works; we welcome submission of collaborative pieces you have created with other friends from the community outside of Art Works. Challenge yourself and spend some time making art with other artists! We will also accept submissions of solo work, but these submissions should not have been shown at Art Works before and should not have been shown in the south metro community in the last two years.
