

CALL FOR ART: 2022 @ Art Works

LIFE IS IN THE DETAILS

CALL FOR ART: All Makers, 2D, 3D, literary and performance artists are encouraged to apply for Art Works' 2022 exhibit series LIFE IS IN THE DETAILS. In 2022, we need to take a deeper look at the little things in our daily lives. Appreciate the details of the human form, the mechanics of things, and the healing contributions made by the work of artists. Small things can be made large, large things can be made small. What details do you notice? Plan to participate in our full season of exhibits. Use the QR code above to read the complete details, apply online, and learn more about exhibits at Art Works.

“Bits and Pieces of the Human Whole” (Show runs: Feb 1 - March 25, 2022)

About the Exhibit: The human form is a wondrous thing. This exhibit is about focusing on the details of human form. What stands out? The curve of a cheek? The size of a grin? The sensitive fingers of a musician? Focus in and let the audience see what you see. Submit work that brings focus to a part of the whole being.

Applications and Fees:

Application/Waiver/Work Samples are requested by January 14, 2022 at 11:59 p.m. The application fee is \$15.00 for up to 5 pieces, and fee waivers are available upon request. You may submit up to 5 pieces of work for consideration, and you are guaranteed acceptance of at least one piece for exhibition. Artists whose work is not accepted for whatever reason will be refunded the application fee. Artists whose work is deemed exceptional may be asked to submit more pieces and become a featured artist in the exhibition. Application fees are used to support the administrative work associated with the exhibit. Email gallery@artworkseagan.org with questions or if you are in need of support to complete the online application.

You will need a google account in order to submit an application online. Please consider creating one as all of our exhibit applications utilize this system. Utilizing automation through google forms is the only way for our all volunteer run organization to manage the data associated with applications. Thanks for your help!
