

# 6th Annual Member/Supporter Show

CALL FOR ART: All Makers, 2D, 3D, literary and performance artists are encouraged to apply for Art Works' 2023 exhibit series CELEBRATE CREATIVITY!

## "6th Annual Member/Supporter Show"

(Art Works: March 5 - May 26, 2023)

About the Exhibit: The Annual Member/Supporter Show is intended to celebrate the work of [member artists](#) and [makers](#) who create at Art Works, as well as the work of the larger community of [supporters](#) whose contributions make programming happen here every day. Joint work created by two or more artists will receive special preference for collaborative elements. Only one artist from any collaboration must be a member or supporter at Art Works; we welcome submission of collaborative pieces you have created with other friends from the community outside of Art Works. Challenge yourself to spend some time making art with other artists! We will also accept submissions of solo work, but these submissions should not have been shown at Art Works before and should not have been shown in the south metro community in the last two years. Consider this year's theme of **CELEBRATE CREATIVITY!** How did you plan the collaboration, how did you decide who would contribute what parts and why? Collaborative work takes a lot of cooperation to work out the details and contributions to the whole. Expand on that idea.
